

Dear Andersonville Fire District Community Member,

It is with great pleasure that the Andersonville Fire Department is announcing the creation of our NEW website, www.TNAVFD.com. We have reached an agreement with a privately owned company to provide us web hosting and email services.

We feel we have several reasons for the department to have a website:

- ❖ To provide information to the community about the operations, our members, and the history of the department.
- ❖ To provide photos and information about calls and events as well as a calendar of events and training.
- ❖ To provide fire prevention tips and educational information.
- ❖ To provide a central point for needs and how the community can help.

With our desire to have a website the need to fund it also comes. Though the fire department has committed to fund this project, we ask the community to assist us. As a sponsor, you will help the fire department keep from diverting funds to pay for the website. This will enable us to fund other important projects such as new equipment, apparatus payments, and building maintenance such as heating and electric bills. Along with these payments and expenses required training for new members is an essential.

For a minimal amount of \$25.00 a year, your business, association, group or you as an individual will have a banner advertisement on our home page. The advertisement is a rotating banner that changes every 10 seconds in random order. Your sponsorship will also include a place on our "sponsor page". This page will show the community all that have helped the department support the website. Along with the banner, information on contacting the sponsor (if it is a business, association or group provides that information) a phone number, address, and website link will also be included. Individuals who support us will have the option to have their name displayed or to donate as an anonymous donor to our project. Once your sponsorship is approved we will contact you for your logo or other artwork you wish to use for the banner. This must be in a digital form and subject to resizing or adjustment to fit the allowable space. It will take approximately a month for banner to be placed on the website.

If you would like to help support the website with your sponsorship please fill out the form included with this letter. Though we are asking for a minimum of \$25 a year, please feel free to give more. If you have any questions, comments or concerns please contact the department at (865) 494-0563 or info@tnavfd.com. Thank you for your time.

Yours in community service,

The members of the Andersonville Volunteer Fire Department

AVFD Website Sponsorship Form

www.TNAVFD.com

Please complete this form and return it to:

Andersonville Volunteer Fire Department

Attn: Moe Brewer

P.O. BOX 340

Andersonville, TN 37705

Organization Name (As it should appear on the website):

Organizational Address (As it should appear on the website):

Website Address associated with your organization, if available:

Contact Name: _____

Title: _____ Anonymous Donation Check Here: _____

Mailing Address: _____
